**Alaska Virtual Family Retreat**  
**First Meeting: January 12, 2021**  
**This retreat is for families with children ages birth -18.**

The CARE Project Virtual Retreat experience is designed to provide emotional support for families with children who are deaf and hard of hearing while social distancing guidelines are in effect. Each week, families will meet on Tuesdays at 12:00pm for 90 minutes (1 hour presentation and 30 minutes of Q&A). The same meeting will be repeated for a second caregiver (or both if neither were able to attend the Tuesday meeting) on Thursdays at 4:00pm. After your application is reviewed you will be notified with additional information. Zoom will be the platform of use and links will be sent out weekly to families. ASL interpretation as well as captioning, will be provided if a participant indicates the need for these services prior to the Virtual Retreat experience via a Google Survey.

If you feel your family can attend the Virtual Retreat experience **beginning on January 12, 2021** at 12:00pm, please complete the following application and email back to [Lara@thecareproject.com](mailto:Lara@thecareproject.com).
